GREAT THINGS HAPPEN TEXAS PUBLIC SCHOOLS! **FOTPS.ORG**

Something to celebrate: According to The Nation's Report Card, Texas public school students scored higher than the NAEP (National Association of Educational Progress) national average in math and science.

Dear Friends -

This year has challenged us all in ways we never anticipated. In this season of unknowns, there is one thing on which we can rely - our Texas public school leaders will continue to work tirelessly to provide the best education for ALL of our schoolchildren. We are proud of all you have done and all you continue to do.

We are your fans - your friends! We stand with you though thick and thin. Please enjoy the video below that we created to celebrate and honor you.

Thank you for all you do for Texas public schools!

Jennifer L. Storm

education reform but rather in celebrating what's right with our schools. We are an apolitical organization focused on educating all Texans about the virtues and achievements of our Texas Public Schools.

Contrary to popular opinion and the day's headlines, our public schools are performing remarkably well. The widespread failures so often debated are nothing more than myths. Sure, there are isolated cases of failures across the country, but our schools are achieving

We are a bit of a different type of organization... one that doesn't invest energy in

more today than ever before and America's schools are superior to any other nation in the world. All of those international comparisons are based on suspect data and, in our opinion, are grossly flawed. Newsletter Sign up
